Thank you to ALL who participated in the Terry Fox Walk/Run. And a special thank you to Mr. Neufeld and crew who posted impressive numbers. Staff and students walked over 1,757,000 steps last week, which is more than 1250 kilometers. With our combined steps, we could have walked to Edmonton! That's over 70,000 calories burned, or about 23 lbs. lost. Well done everyone!

**It's Time.**

**It's time for generational change.**

For too long, Asians have been apathetic to civic participation and have not been equitably represented across legislatures, boardrooms, and civil society. It is now our responsibility as youth to take up the mantle and create a more equitable future.
