Our computer system has a final due date of June 4th so your family will begin to receive overdue e-mails after this date. If you still need the "overdue" book for a class, please feel free to keep it. If you are finished with the book, please return it to the library or Science Kiosk ASAP. We will continue to send overdue slips through your teachers as a reminder.

June is Indigenous Heritage Month and Pride Month. Come by the library to check out a book from our Pride and Indigenous book displays!

If you have a school laptop, please return it as soon as you've wrapped up your course work. All laptops must be back before you leave for summer break.

Book Clubbers: Please check the Teams page and vote for our final meetings for One of Us is Lying and With Malice. 😊 Stay tuned to the Happenings next year for book club news!

If you attended the grad ceremony, your walk-across photo is ready to be picked up from the office.

The Fabulous Wellness Club will now be meeting outside on Wednesday afternoons at 1:30 pm by the fountain. We will be there for a chat or a check in, a possible walk and talk around the field, or just a chance to have some time in the sunshine. Everyone welcome

KPU will not be proceeding with a Health Foundation intake. Students planning on pursuing nursing can still start that journey by taking courses that meet the new admission requirements for nursing that come into effect in Fall 2022. For additional information about the new admission requirements, visit the University Calendar: calendar.kpu.ca/programs-az/health
