

# HANEY HAPPENINGS

**Wednesday, November 24, 2021**

November 25

- Grade 8 Rotation 3 Ends

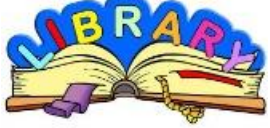

November 26

- Grade 8 Rotation 4 Begins

December 17

- Last day before Winter Break
- Grade 8 Rotation 4 ends

	<p><b>Attention skiers and snowboarders:</b> Mt Seymour ski forms are in! If you are interested in joining us for our Thursday evening trips in January/February, please see Mr Williams, Ms Fischer or Ms Oldham ASAP to get your ski forms. All forms must be returned to Mr Williams by Monday November 29th. There are only 40 spots available so don't delay - first returned, first served.</p> <p>Grade 12 students who do NOT have English 12 this semester, please sign up in the library for an info session regarding your Literacy 12 exam in January. Various blocks are available December 6, 7, and 8.</p>
	<p>The Inheritance Games book club will meet on Thursday at lunch in the library or on Teams.</p> <p>Truly Devious book club: we will discuss up to Chapter 15 on Thursday, December 9th at lunch in the library. We will discuss the whole book on Thursday, December 16th at lunch in the library.</p> <p>All book clubbers: please check in on our Teams page for additional information. Come down to the library and check out our collection of books on personal wellness! The books are on display on a table in the library. This table includes books on issues like anxiety, depression, anger, mindfulness, happiness, and success, including recommendations from the fabulous Mr. Grill.</p>
	
	

Attention Grade 12 students: This Wednesday at first block we are having an info session for students who are not in CLC class this semester and need some help/assistance with their post-secondary applications. Students interested in this session can sign up in the career centre. You need to bring your laptop, room TBA.

**BCSTA Scholarships for Student Citizenship** Value: 3 @ \$500

The BCSTA Scholarships for Student Citizenship recognize graduating students for outstanding contributions they have made to their school and community. These scholarships reflect BCSTAs commitment to its values that: Focus on students, Support Lifelong learning, Support public education, Recognize the importance of community in public education and Provide opportunities to recognize and celebrate public education. For more information click on the following link: <https://bcsta.org/resources-and-services/bcsta-scholarships/>

**Application Deadline: February 28, 2022**

**Langara College:** The Bioinformatics program is hosting a virtual information session on **November 24 at 4:30pm on**

**Zoom.**

Register: [https://](https://langara.ca/programs-and-courses/programs/bioinformatics/information-sessions.html)

[langara.ca/programs-and-courses/programs/bioinformatics/information-sessions.html](https://langara.ca/programs-and-courses/programs/bioinformatics/information-sessions.html)

Bioinformatics is an interdisciplinary science that applies computational and statistical methods to biological information to make new discoveries and to solve complex biological problems. The Bioinformatics programs are a great new opportunity for students interested in working with computers and enjoy math and sciences.
