ATTENTION ALL STUDENTS!

Please return your Semester 1 Textbooks

Starting today the rotunda is reserved for students in grade 11 and 12 who demonstrated good work habits in semester 1. If you want to be approved to work in the rotunda please bring your planner with you to the rotunda and an administrator will stamp your planner front cover to indicate you are approved to work there. Anytime you are working in the rotunda you will need to leave your planner open so the stamp is easily visible. This will help teaching staff quickly indentify who should/shouldn't be working in the rotunda.

Grade 8-10 students are not permitted to work in the rotunda.

If you have any questions about Anatomy & Physiology 12 (Biology 12) course selection for next year, please see Mr. Franco, Mr. Hussey or Mr. Ishani

Volunteers for Student Concierge

We are looking for students who are interested in being part of our Student Concierge for second semester. You would be responsible for welcoming staff and students into the building. If you would consider volunteering during one of your work blocks, it would be greatly appreciated. Signup sheets are located on a table at the front entrance.
