

Dear Parents,

The THSS yearbook Parent Tribute tradition continues. For the last decade we have added a section in the yearbook for people to create a tribute to their loved one who is graduating.

If you are interested in submitting a tribute in the 2022-2023 yearbook, we are asking for them to be submitted by **February 10, 2023**. We cannot guarantee that late submissions will be published.

Requirements:

1 toddler photo in **Jpeg format**

- Please understand that we may have to crop the photo in order to fit in the shape of the box that we use in the pages we design.
- Write a tribute with 300 characters or fewer (this includes letter, punctuation, symbols, and spaces)
- We cannot guarantee that symbols or emojis will be printable.

A \$30 payment should be paid on the parent portal after you submit your tribute. A separate message will come out on the portal to notify you where the payments can be made. All proceeds go to the yearbook program, helping us to continue to create memorable books for students to have as lasting memories.

Please click on the link provided which will take you to the Google form where you will submit your photo and your tribute. You will be asked for your graduates full preferred name (as it will appear in the yearbook). The form is designed to send you an auto reply of the quote you submit. There will also be an option to edit the quote if required.

Finally, attached is an example of a parent tribute to give you some possible inspiration.

Parent tribute example:

Dear Juliette,
As your parents, we cannot begin to tell you how proud we are of you. From the moment we laid our eyes on you we knew you were going to do amazing things with your life. Congratulations on your graduation. The world is now your oyster. We cannot wait to see what is next for you in this next chapter of your life.

Love,
Mom & Dad

Thank you very much! THSS Yearbook Crew
