	<p>THSS Badminton Club is back, Tuesdays and Thursdays after school in the gym. Talk to Mr. Moule for more information.</p>
	<p><b>HOW DOES METRO VANCOUVER KEEP YOUR WATER CLEAN AND SAFE?</b></p> <p>Even though our water comes from rain and snowmelt, it still needs to be treated to make sure it's clean and safe for drinking.</p> <p>The Seymour Capilano Filtration Plant treats water from both the Capilano and Seymour reservoirs, while the Coquitlam Water Treatment Plant treats water from the Coquitlam Reservoir.</p> <p>All our water is treated to the same high standards for drinking water, whether it is used for drinking, cooking and cleaning, watering lawns, or washing cars.</p> <p>Water is tested at the reservoirs, through the water mains, and again in each municipality to ensure it's clean and safe all the way to your tap.</p> <p>Our region's tap water is required to meet even stricter regulations than bottled water. It tastes great, is inexpensive, and doesn't contribute to plastic waste in landfills or oceans.</p> <p>Use a refillable water bottle THSS!!</p>
	<p>Library: Please remember to return overdue books. If you'd like to renew something, send Mrs. Fulgueras a message on Teams.</p>

Attention grade 10 & 11 students: Applications are now open for the Spring VolunTEEN session. More information in the career centre.

**Attention grade 12 students:** District Authority Scholarship Application deadline is **April 12**; application is available in the career centre or you may get it from THSS Career and Counselling centre website. It's added to the scholarship tab under School District 42 scholarships at the bottom of the page.
