The library has a new web address: thsslibrary.weebly.com

Invoices for overdue books are coming to your TA this week. We don't want your money! We just want these books back! Please check your lockers and homes for any library resources you no longer need and return them as soon as possible. If you still need an overdue book, please see a teacher-librarian or message Mrs. Fulgueras on Teams to renew it.

It's Asian Heritage Month! Come down to the library and check out a book from our displays as we celebrate amazing Asian authors!

If you are filming a video for a project, the library has a phone tripod, ring light, and green screen you can borrow to make it fabulous! See a teacher-librarian for information!
