Education Assistant Program at Ridge Meadows College

As you may know, the need for Education Assistants in our district is still very high, with the district expecting to hire many more in the coming years. If you or someone you know may be interested in a career working with children and youth with diverse abilities, Ridge Meadows College (operated by SD42) still has seats available for its September or January Education Assistant cohorts. EAs assist K-12 students with unique physical, behavioural or learning needs. If you'd like to learn more about the program, you can visit the website at <https://rmcollege.sd42.ca/program/education-assistant/> or register for an [information session](#).

The end of the year is approaching quickly! If you have finished with any books, please return them to the library as soon as possible. If you still need a book for a class, feel free to keep it until you have finished. The latest possible due date in our computer system is June 2nd but you're welcome to keep necessary resources past that date.

Summer Reading is coming! Students who have turned in all of their books will be able to sign out up to 10 books for summer reading beginning on Monday, June 19. See a teacher-librarian for details!
