Course Selection for 2025 – 2026

Between February 10th and February 21st, counsellors and admin will meet with the grade 8 - 10 PE classes to review course options for next school year. During this time, students will use their MYCLASS accounts to select their courses for the 2025-26 school year. Grade 11s will have the chance to meet with counselling and admin in person between February 10 – 21 (Schedule is posted in TEAMS) The deadline for students to select/update their courses will be **Wednesday, February 26th.**

Hey Thomas Haney! Catch the hatch! In the salmon aquarium in the Science Great Hall, our chum salmon eggs have been growing and should hatch any day now! Peek into the tank! Come and guess the date for the first egg hatched and the date for all the eggs to have hatched!

Grade 9 Students! Have you been thinking about the Passion Project? What will your topic be? Who will be your mentor? How will you show what you know? Grade 9s have until February 28th to choose their topic and mentor! You can sign up in the test center. The remaining available mentors have their posters up on the windows of the test center.

THSS Clothing and THSS Grad Clothing

Last sale of the year! Order forms can be found on the board outside the rotunda, on the school website, and on the parent portal. All orders are due by Wednesday, February 26 at 2:40pm. Orders can be handed into Ms. Coghill in the Girls' PE Office.

Attention grades 9 - 12 female students: Jill of All Trades is a free, hands-on event on April 10, 2025 at BCIT's Burnaby Campus for students in grades 9–12 who identify as female or gender diverse. Participants will explore BCIT facilities, engage with industry professionals, and take part in workshops, gaining practical experience to inspire careers in the Skilled Trades. Registration information is available in the career centre or on the bulletin board.

Attention grade 10-12 students: We are offering an opportunity for students in **grades 10 – 12** to explore careers as pharmacists and pharmaceutical scientists. Join the race and come out victorious in Discover Pharmacy - The Snake Game Edition offered by UBC Faculty of Pharmaceutical Sciences. Register before Monday, March 3, 2025.
