Thomas Haney... will you survive the Doomsday Dance?"

Library News!

📖 Book club: We will now meet on Wednesdays at lunch in the library!

Manga club: We meet every Monday and Wednesday at lunch in the library. Bring your lunch! New members are welcome!

Today is Drop Everything and Read Day! Staff, draw entries were placed in your boxes on Thursday. Please give these out when you spot students reading throughout the day! Students, get those draw entries to the library by the end of the day on Tuesday, October 28th for a chance to win a free book!

The library will be closed for Literacy 10 exams during the week of November 3rd. Book/laptop sign out and the library printer will not be available that week so that we can keep noise to a minimum for students writing exams. Please plan your time accordingly!

Career Centre News!

After-School Coding Program

Kids Innovative is looking for volunteers to help with an after-school Coding Club at Golden Ears and Maple Ridge Elementary. No prior experience is required - just an interest in working with kids and some basic computer skills (typing, Google search, etc.).

This is a great way to gain experience in education, mentoring, and STEM programs. See Mrs. Sekhon in the career centre or send a message through TEAMS.

Attention grade 11 & 12 students: Volunteers are needed, this is where little sister rides. Therapeutic riding for people with special needs. A wonderful place and always looking for volunteers.
