Theatre Fieldtrip Opportunities

Come From Away! The Musical. See Mrs. Brema if you would like to join her on June 10th to watch this amazing play about 7000 airline passengers stranded in Gander, Newfoundland following the 9/11 attacks in 2001. When U.S. airspace closed, 38 planes were diverted to the small town where residents welcomed the "come from aways" (strangers), providing food, shelter, and comfort for five days. This is a Tony winning play that you can't miss!

The Play That Goes Wrong. There are a few seats available to join our own THSS cast and crew for a fieldtrip to Vancouver to see the professional, adult, version of The Play That Goes Wrong on June 24th. See Mrs. Brema for more information.
