LIBRARY NEWS

All library books and textbooks have a default due date of June 1 in our computer system and we are not able to renew them beyond this. Your families will begin receiving weekly overdue notices on Monday, June 8. If you still need a book for a class, you may keep it until your work is done. If you have finished with a book, please return it to the library (library books, socials texts, English novels) or the Science Kiosk (science texts, math texts, calculators).

Borrow books for summer reading beginning on June 15! Once all of your overdue books (including textbooks) have been returned, you may borrow up to 10 items from the THSS Library for summer reading! You **MUST** be returning to THSS in the fall to borrow books for the summer. See Ms. Fulgueras for more information.

Please note that our student printers are unreliable and the queue often gets backed up at the end of the year when lots of students are uploading documents. Print your work early to avoid disappointment!

June is Pride Month!

This is a time to celebrate individuality, stand up for inclusion, and to recognize the impact the LGBTQIA2S+ community has had on culture, history, and our communities while creating spaces where everyone feels welcome.

June 9 @ lunch - Pride Bakesale

Every item you purchase will add your name into a draw for a prize!
All proceeds will go to Covenant House.

Take a look at the Pride Month informational board in the front entrance of the school to learn about prominent queer Canadians, history of Pride in Canada, and more.
