Monday, Sept. 14 is photo day in the rotunda. If you have PE on Monday, please first check in with your teacher, and then they will let you get your photo taken. After your photo please meet up with your class in your assigned space.

Library News

New library books are arriving soon! If you'd like to request a new book purchase for the library, submit your ideas at thsslibrary.weebly.com or fill out a request form on the library counter.

The library work area will be open during limited blocks this week; we appreciate your patience as we close to train our amazing new volunteers. Please check the sign at the door to see if the library work space is open, closed, or full before you enter. Book sign out will be available in most blocks this week, even if the work area is closed. Grade 8s: feel free to come by the library after school to sign books out! We will have your classes visit the library soon.

Daily laptop loans are now available in the library. Please note that morning loans are due before lunch and afternoon loans are due at 2:45pm.
