AFTER-SCHOOL PROGRAMS WEBSTER'S CORNERS ELEMENTARY SPRING 2018

The Maple Ridge - Pitt Meadows School District, in partnership with United Way of the Lower Mainland, is embarking on an exciting new path for our community, focusing on sustainable, educational and fun after-school programs.

The after-school programs we offer provide expanded learning opportunities both educationally and emotionally to enable our children and youth to be ready, able and motivated to learn.

This kids yoga program is based on yoga postures and flows, mindfulness and relaxation specially designed for kids. You will meet new friends as you improve your strength, flexibility, balance and focus in a non-competitive and non-judgmental environment. Gentle breathing exercises, calming techniques and relaxation designed for children will form an integral part of each class.
