

Webster's Corners Elementary: Winter 2020

BRICKS4KIDZ (GR. K-7)

Are you ready for the adventure of a lifetime? Put on your hiking boots and camouflage – you are about to enter Jurassic Brick Land! Each week students will build a world that comes to life with gentle Brontosaurus, ferocious Velociraptor, terrifying T. Rex and more! We will learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era and many millions of years later. Show us your building skills using our specialized project kits! Come learn, build and play at our Jurassic Brick Land class.

Wednesdays, 2:30pm – 3:45pm, Room 1154

January 22 - February 12

Registration fee: \$35

To register: <http://schooldistrict42.perfectmind.com>

HOME ALONE (AGE 10+ PARENT PARTICIPATION)

This two-hour course is a chance for parents who want to prepare their 9-year-old child for staying at home alone when they turn 10 and are legally allowed to do so. The course is also great for any parents who want to gain skills and information

for their 10-years-old child about being safe and making good decisions when home alone. The course is designed for both parent and child together and is facilitated by The Family Education and Support Centre. Topics covered include: dealing with emergencies, answering the door, snack/cooking and gauging your child's readiness to be home alone. Please do not bring younger siblings.

Tuesday, May 5, 2020

6:00pm – 8:00pm in the library

To register: <http://schooldistrict42.perfectmind.com>

SCIENCE ALIVE (GR. 2-7)

Our after-school programs offer an exploration into the world of STEAM through visiting a new topic each week. Become a chemist and harness the power of acids, learn to levitate with a physicist, and learn about the diversity of life in BC. Join our university instructors for 6 weeks of science experiments and activities!

Mondays, 2:30pm – 3:30pm. Room 1154

January 27 – March 9

Registration fee: \$72

To register: <http://www.sciencealive.ca/after-school-programs/>
