UNDER THE TREE CHILD CARE CENTRE

Under the Tree Child Care Centre (UTT) is a program of the Family Education & Support Centre. Under the Tree provides programs for infant toddler, preschool, 3-5 year-olds, and before and after school care.

Our programs provide comfort to our families with the knowledge that their children will be cared and nurtured in an inclusive setting. In this setting we guarantee individuality and diversity will be acknowledged, appreciated, and embraced.

We provide developmentally aged appropriate play opportunities for the children that are both child-centered and driven by the child's interests, with as much exposure to real life learning as possible. The program encourages applications from Indigenous, low-income, newcomer families and families who have children with extra needs – these families will be offered spots first and expedited to the top of waitlists.
