## JUNE 2021

This year was certainly not like any other year in my 30 years of working in schools. However, the good news is that we have, I believe, been through the tough times and are definitely seeing the light at the end of the tunnel.

I want to thank all of our parents for being so flexible, understanding and patient with all the changes thrown at you and your children. The kids came through with flying colours considering all of the adjustments made to their regular routine at school this year.

I am certainly looking forward to a great year next September and am excited to start getting back to normal. Of course, we'll have to continue to be patient, myself included, as things won't go back to the way things were immediately. However, the thought of being able to be together and share experiences with each other makes me feel very happy.

As always, I'm very fortunate to be working with our wonderful PAC. I know it's been hard for them not to be able to be involved in our daily happenings at school. You were greatly missed, as was the participation of all parents in our school activities. Thank you to our PAC for continuing to support our students and keeping up your generous contributions towards programs and resources at Webster's.

Congratulations to next year's PAC executive for the 2021/2022 school year:

Jessica Underwood – Chair  
Tiffany Reichert – Vice Chair  
Ira Javier – Treasurer  
Jill White- Secretary  
Eugene Javier - DPAC Rep.

As always in June, we have to say goodbye to some of our staff. We will miss Mrs. Barrett-Lennard, our speech and language therapist, who will be retiring this year. Best of wishes to Mrs. B. ☺. We are also sad to say goodbye to Mrs. Silveira, Ms. Bento and Mr. Logan as they embark on new adventures for the next school year.

We welcome Ms. Shona Calizaya as our new ELL teacher. I'm also in the process of hiring a couple of more teachers and will be excited to introduce them to you in September.

I would like to thank our Webster's community for being so strong and resilient during such a tough year. We will be stronger as a result of our experiences this year. I am so very fortunate to be working with such a hard-working and dedicated staff, and a generous and positive group of parents. Together, we continue to serve our students well and to take care of them. I hope you have a wonderful summer and get to see family and friends as we slowly get back to normal. I look forward to seeing you all, in person, in September.

Ramin Mehrassa
