

StrongStart

At StrongStart you are invited to participate with your young child (aged birth to five) in play-based early learning activities—including stories, music, and art. At no cost to families, this early learning program helps prepare children for success in Kindergarten.

Celebrating over 15 years of making a difference in the lives of children, StrongStart to reading happens when adults spend quality time with children on specially selected games and activities to develop literacy skills that position children for success. Our program is designed to ensure that children experience the joy in learning.

If you would like to register your child/children, or for further information, contact Erica Hopgood at Erica_Hopgood @sd42.ca

More information on StrongStart programs can be found at:

<https://www.sd42.ca/program/strongstart/>

Please note:

During these uncertain times, the StrongStart Program will be limited to 7 families. Pre-registration is required.
