The Shape of Our Day:

When you arrive each morning, please come directly to the Strong Start entrance which is located at the front of the school to the left of the main doors. This is an indoor shoe environment, so please feel free to bring slippers or any kind of indoor footwear. Before entering the room each morning, please be sure you and your child(ren) have completed the Daily Health Check. It can be found online at:

<https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

Once inside, everyone is required to wash their hands. Adults must always wear a face mask and practice social distancing of 2 meters. Children, however, can play and explore together.

During the morning we will have snack time together as a group. A light snack will be provided for each child. Please try to bring a water bottle from home to limit the number of dishes needing to be washed every day.

Snack time will be followed by a group circle time. Masks are mandatory for adults so please be sure to bring one with you as they will not be provided
