

# WHONNOCK UPDATE

WHONNOCK ELEMENTARY – APRIL 2026

## THE FEELING OF SPRING

Dear Whonnock families,

With the arrival of spring, we are welcoming longer days and fresh energy.

We are looking forward to a few exciting upcoming events, including our Art Show, where our students' creativity and hard work will be proudly showcased. We also encourage families to participate in our Charity Used Book Sale, a fantastic opportunity to spark a love of reading at home while supporting an important cause.

As we enjoy the change in seasons, we also want to emphasize the importance of maintaining strong academic focus. The coming months are an important time for students to continue making gains in literacy and numeracy, and consistent school attendance plays a key role in supporting student success. Being present each day helps students stay connected to learning routines, build skills, and feel confident in their progress.

We appreciate the ongoing partnership between home and school and all you do to support your children's learning. Wishing all our families a spring season filled with warmth, growth, and joyful moments together.

Warmly,  
Megan Olynyk  
Principal
